## PRESS RELEASE

**Race and Rally Transmission Centre**      The Transmission Centre is a **new development for**

**2006**, its' purpose is to provide our clients with a quick, reliable and an affordable alternative for the refurbishment, rebuilds and upgrades of all Race and Rally transmissions from historic through to today's single seat formulas and rally cars.      With an extensive range of gear cutting tooling spanning back over 50 years we are able to remanufacture gears to make the most complex repairs possible. All work is carried out by our own skilled engineers and all components are made in house at our 10,000sq ft factory.

### Super Finish Gearsets for additional performance

### Modifications; mainshafts, bearings and engagement

### Refurbishments and Upgrades, the complete one stop race shop
